He said be would, and began:

1. "The great burden of the national debt upon the people; it is crushing their very life out." In reply to this complaint I said

"How much money has gone from the war P" He besitated, and then replied tha

he had never figured it closely. "Well," said I, "let us figure it You use salt, sugar, and mollasses, of course Pr

"Yes," he replied, "and coffee and tea, but there was always an import duty on those articles ever since we were a government, and it is no higher now, in fact not so high, as before the war, because ten and coffee have been admitted tree of duty since the war. I don't complain of that."

"Well," said I, "the only other ar ticles upon which the government has fixed a tax, are whisky, tobacco_bank checks, patent and perfumed medicines, and matches. Do you use any of these ?"

"No," he replied, "only matches from twenty-five to fifty bunches a dolph county; M. A. Lowe, Grundy year, and the duty is only one cent a bunch."

"Then," I replied, "you pay directly Boone county; J. K. Kidd, Osage and indirectly, not exceeding 50 cents a year to the national government. Do you think that a sufficient cause county; H. D. B. Cutler, Schuyler of complaint for us to abandon our principles for which we have contend-

> the national treasury that you did not before the war.

> He trankly said that he did not "But," said he, "what is all this bue and cry made by these greenback speakers about the burdens of taxation? It must be all buncombe."

"Yes," I replied, "it is the cry of the demagogue. You will find that the uniform policy of the republican party has been to tax the luxuries and not the necessities of life, thereby reaching the rich and not the poor. A careful examination of the internal revenue laws passed since the beginning of the war will prove it."

"Our debts contracted to save the nation must be paid, and the policy of the Republican party has been to tax those most who had the most at

"Well," sald my friend, "I guesyou are right about the tax question life of all business, and ought to be repealed."

"If you are correct in your state ment," said I, "your conclusion will follow. But are you sure you understand the national banking system ?-Are you not decleved by the cry of the on stood—laughing and jesting as was greenback stump speakers? Let us examine.
"1. Banks are places where the bor

rower or lender of money meet. They exist in all civilized nations, and are indespensible to a thriving business ommunity."

I then read the national bank so with all its amendments, and we agreed to the following facts, viz.: 1. That the national bank act was not restricted to any individual or number of persons, but was open and free to all who would comply with the only condition, to-wit: Deposit with the United States Treasury as many \$100 United States bonds as they issu ed \$90 in bills, so that no single national bank bill can fail to be redeemed.

2. That the rates of interest were no

4. That the cost to the governmen

"So far," said I, "the people have walk across the Niagra chasm, expe- the national banking system have "No," he replied, "except that their

capital stock, viz: the bonds deposited with the United States Treasurer, escape taxation."
"True," said I, "but would they be

liable to taxation. Neither the national government nor the cities and towns would reach tnem.

"By being deposited as the basis of the issue of national banks, does the teemed citizen, who has always been towns reach them directly or indirectnational government or the cities and

"The national banks have paid into I asked him to state to me fully and taxes—for the last fiscal year, \$7,500,... of the national bank act \$80,000,000 of er last year, as tax on the stock, \$26,-000-about one twelfth of the sum as-

wise and pound-toolish policy? You This was the enemy who menaced may say that these banks have made Stanley at Zanzibar, and never left his and are making money. Suppose they have, and are, what is that to leges in the system, and it costs the tion. And so from these misfortunes permitted to continue as in any other and massacre, from mutiny and death line of business which is free and open _the little army dwindled away; and to competion?"

My friend said he could not stop correct in your statements, there has been some unprecedented lying on the stump by some of those greenback andidates,"

MORRIBLE PAIN.

The Experience of a Tarred and Featl ered Man.

From the Virginia, Nev., Enterprise. W. J. Jones, who was tarred and feathered by Reno people and then "He was in a truly pitiable condition. another penny which you contribute to Coal tar or gar far had been used and had been used freely. This substance blisters like a mustard plaster. The cuticle will peel off of Mr. Jones just made, but for them there was no em- vinced. as if he had been boiled. His hair and the wound on his head was filled with tar. Che hair stuck out in all directions, or a mass of tar stuck out. The sockets of his eyes were level full with solid tar, which seemed to have been poured into them and allowed to cool. His whiskers seemed a large, unhappy mass or far. His face, neck, and, we are told his entire body, had a thick coating. The vigilantes kindly clothed him before putting him on the train. The sight might have been ludicrous, if it had not been agonizing. The train was nearly three bours in reaching Truckee. The pain endured by the poor fellow was excruciating .-Sightless, helpless, coated with a horrid, odoriferous substance, he sat silently, with his head bowed over. Occasionally his fingers would grasp pasmodically at the open air, Sometimes his body would twitch nervously, as if from the pain be endured .-Arriving at Truckee Grandison Jones and another colored man were put to

work to remove the tar. It was an hour before Dr. R. J. Goss was called and the linseed oil which he prescribed obtained. Everybody who saw the ground, "under natural tunnels of empoor wretch pitied him. The very men who performed the deed would have pitled him. His sufferings were extreme. Ilis eyes were fairly burning up. No one ever heard before of putting tar on a man's face and in his eyes. For six hours the two men work- hunger and thirst, the command beed faithfully neutralizing the tar and removing it from his body. We saw him this morning. His eyes were terribly inflamed. It is doubtful if he strength. Five never returned. One ever recovers his sight. It is feared that the eye balls have been burned and blistered and forever destroyed."

Dr. Bull's Cough Syrup has been before the public for years, and is the village comprised only four nepronounced by thousands superior to groes, their wives and their little ones, all other medicines for the cure of Coughs, Colds, Influenza and all Pul- mand. Stanley learned that there monary Complaints.

The Ottoman Government having refused to accept its own currency in payment of tithes, that wretched substitute for money is fast losing any value it possessed, the dollar now being worth only 31 cents. The Sultan has issued his "flat" against this decline, but there are economic laws which even a Sultan cannot connot felt any burden on account of trol. While his bonds are worth only 14 cents on the dollar, he will find it difficult to keep his paper promises afloat at all. This is anoth-

SHE RESTS WELL SOUTH POLAND, Mr., Oct. 11, 1876.

Mn. H. R. STEVENSI.

Dear Str.—I have been sick two years with
the liver complaint, and during that time have
taken a great many different medicines, but
none of them did me may good. I was reside a
nights and had no appetite. Since taking the
Vegvine I rest well and reliah my food. Can
recommend the Vegetine for what it has done
for me. Yours respectfully.

Mrs. ALBERT BICKER.

Witness of the above.

VEGETINE.

Witness of the above, Mr. GEORGE M. VAUGHAN, Motford, Mar

GOOD FOR THE CHILDREN. BOSTON, April, 1878.

Mn. H. R. STEVENES.

Dear Sir.—We feel that the children in our home have been greatly benefited by the Vezetne you have so kindly given us from time to time, especially those troubled with scrotchia.

With respect, Mrs. N. WORMELA, Matron.

VEGETINE. REV. O. T. WALKER, SAYS:

PROAIDENCE, R. 1., 166 Trunsit Street. H. R. STEPHENS: Mn. H. R. STEPHERS:
I feel bound to express with my signature the high value I place upon your Vegetine. My family have used R for the last two years. In narrous debility it is invaluable, and I recommend it to all who may need and invisorating, renovating tonic.

O. T. WALKER,
FormerlyFastor of Bowdoin-square Church

VEGETINE.

NOTHING EQUAL TO IT. SOUTH SALAN, MASS., NOV. 14, 1876.

In. H. R. STEYRES:—
Dear Sir.—I have been troublad with Scrofizs. Canker and Liver Compilate for three years
tothing ever did me any good until I comsensed using the Vegetine. I am now getting
tong Erak-rate, and still me the Vegetine. I
onsider there is nothing equal to it for such
implaints. Can beartify recommend it to evrybody.

Mrs. LIZZIE N. PACKARD.

No. 16 Lagrange St., South Salam, Mass.

VEGETINE RECOMMEND IT HEARTILY. Mrs. MUNROE PARKER
